

SAINT-LAURENT, QC. June 14, 1013 – THERE’S A NEW COMEDY CLUB IN TOWN, AND THAT’S NO BULL. Montreal’s ultimate dining experience is about to get even ultimeter, er, uh, rather more ultimate. Le Biftheque presents **Heifer’s**, a new comedy club to join the widening constellation of comedy venues in Montreal.

“We couldn’t be more excited,” says owner Michael Seltzer. “Le Biftheque already has so much to offer, it makes us happy to be able to add comedy to the menu. Our customers have always left Le Biftheque smiling. Now they’ll leave laughing.”

Heifer’s opens its doors June 21, with your choice of either comedy on its own or with dinner.

Heifer’s first comedy crowd will be served with great comedy from the likes of Jason Hatrick, Paul Ash, and Peter J. Radomski, hosted by CJAD’s Dan Laxer.
